### **AMALFI DRIVE FROM SORRENTO Full day tour**

Departing Sorrento the coach joins the Amalfi Coastal Road "One of the most scenic Coastal Drives in Europe". The scenery is superb, looking out over the Mediterranean and along the coastline as the road twists and turns its way towards "Positano" (approx. 20 minutes from Sorrento). The town is built on different levels from the main road all the way down to sea level "The town of Positano looks like a waterfall cascading down the rocks to the sea". The coach stops momentarily here so guests can enjoy the view and take photos (from inside the coach when possible). This spectacular journey continues with fabulous views all the way to Amalfi (approximately 1 hour). Arrive in Amalfi around 10am depending on traffic. Guests have 2 hours free time in Amalfi (boat guided tour by sea when possible due to availability and weather conditions), where they can visit "the magnificent 9th century Cathedral which proudly dominates the main square of Amalfi" and "wander through the narrow streets of the town and browse around the many shops" or "enjoy a coffee in one of the cafes around Amalfi". For the excursions lunch stop, after Amalfi, is in the small village of Scala, from where there are excellent views over Ravello. The excursion carries on to "Ravello" which is situated on the hillside above Amalfi. This is where Wagner was inspired to write part of one of his opera's and it is from here that you can enjoy the best views of the Amalfi coastline looking over to Minori, Maiori and beyond. This quaint little town has a main square where the centerpiece is the bright picturesque eleventh century cathedral. Another option is to visit the Villa Rufolo with its gardens and wonderful views. For the journey back to Sorrento we head over the hills from where we take the motorway to Castellammare and then back on the coastal road to Sorrento.
