PIZZA AND GELATO MAKING

Go learn to make Pizza and Gelato just like the Italians do! Our chefs will be happy to introduce you to the history of these Italian glorious creations! Make pizza in oven with our professional pizza chef, called pizzaiolo. You will learn how to make tender, flexible yeast dough that stretches to almost paperthinness, and even the trick for a flavorful yet light tomato sauce. Even if you bake pizza in your own oven, these techniques are universal and using them really makes a difference. With the pizzaiolo, you'll make your very own pizza, you'll stretch it, sauce it, bake it, slice it. After pizza, it's time for Gelato, will tell you why gelato remains Italy's favorite dessert. You will get to know the basic raw ingredients, how to select the best products available according to specific principles and you will have a presentation and tasting of some of the flavors used in gelato making. You will learn about the development and application of natural colors, the heating and freezing techniques and how they have different effects on ingredients. It is always a great day to discover the recipe of the world most loved dessert! This activity is strongly recommended for families that wish to have children learn about the Italian culture, an easy and fun experience that will last forever in their memory. At the end of the tour you'll enjoy nice dinner with wine tasting and you'll get a graduation certificate and a recipes booklet.
